

Town of Milton Accepting Land Proposals for New Town Hall

The Town of Milton is accepting proposals from interested landowners for land within the Township to build a new town hall. The preferred location for the new town hall is near Highway 35 between Merrick State Park and Cochrane Fountain City School and will include approximately 5 acres of land, but all proposals and locations will be considered as long as the land is within the Township.

Proposals must be submitted to the Town via U.S. mail by September 30, 2014 and contain a description of the property, map outlining the proposed area, total acreage of land included, and asking price. The selection criteria the Town will use in choosing a proposal includes price and location for the new Town Hall that will make it most accessible to Town residents.

The Town of Milton reserves the right to accept any proposal, reject any or all proposals, and negotiate other aspects of specific proposals with landowners including price, location, and other items as necessary.

Submit Proposals by September 30, 2014 to:
